

## INTERN WITH NACRE DANCE COMPANY

Nacre Dance Company is offering a unique internship opportunity for an individual who is passionate about dance. The selected candidate will gain in depth knowledge and develop an understanding of all the moving parts required to prepare for and organize a dance performance. This internship exposes the participant to a wide breadth of hands on tasks including but not limited to board meetings, performance programming, staging, and marketing, in addition to working alongside the artistic director.

The internship program begins June 15 (TBD) and may be used for college credit, while attending college or in preparation for higher education. Please be advised that this is an unpaid internship. A strong background in modern dance and/ or ballet at an intermediate or advanced level paired with performance experience are considered highly favorable for this position. In addition to working alongside the Artistic Director, the candidate must attend the NACRE Company Class.

The interested candidates are required to work 8 hours a week.
